Foreword

The 1956 KAY AITCH ESS!

We present to you this record of the 1955-56 school year—the exciting moments of the games, Junior-Senior weekend, the senior and junior class plays, choral and band concerts —all these and many more highlights of the school year are pictured in the following pages.

Leafing through these pages in the years to come, you will be reminded of the little things that made each day of this year complete.

We shall always cherish the memories of the students, teachers, and events that made our high school life unforgettable.

All our lives we have found friends to whom we could turn in time of need . . . friends who would encourage and aid us in all that we might attempt.

When we started in the seventh grade, one of these men came with us, and we found the other man already here. During the time they have spent at Grainger High, they have been friends to the students who have turned to them often in time of need. With their help many improvements in our music department have been accomplished.

For their help and friendship through the years and the privilege of knowing and working with them, we, the Senior Class of nineteen hundred and fifty-six, dedicate this, the thirty-first volume of the Kay-Aitch-Ess, to . . .

Board of Trustees

The Board of Trustees of the Kinston Graded Schools is composed of outstanding men and women who are appointed by the City Council. These citizens give unselfishly of their time and energy in guiding the policies of the administrative unit.

Their main functions are approving the expenditures of school funds, planning an adequate building program, electing the best qualified administrators and instructors available, obtaining the most modern equipment that can be afforded, and determining the overall policy of the administrative unit. This is done with one purpose in mind—to provide the young people of Kinston the best possible education.

Dear Students:

As you leaf through the pages of this annual you will remember some of the happiest days of your life. You will recall the bewilderment of the first few days in the seventh grade but also the thrill of being able to say, "I am in high school." The pictures of friends will bring back memories of your first school dance, your first participation in high school athletics, in band, in glee club and in dramatics.

As you will remember, however, high school was not all play. There was always something; homework, a test, or an examination to prepare for the next day. Many times you wondered how you would do everything you were supposed to do. Yet, it was the mixture of work and play that made your high school days so pleasant. It was the combination of praise and blame that prepared you for life as a citizen of the United States. Many of you accepted your responsibilities and did the best you could. Some of you did not accept your duties and, therefore, will be handicapped for years to come.

To those of you who will not graduate this year, remember that you have a job to do - complete your high school education. It is an opportunity which is available to the citizens of only a few nations. Take advantage of it while you may; for once you stop, the odds are against your returning to graduate. America needs well informed and educated citizens if she is to maintain her standing in the world today.

Congratulations to the Annual Staff for such an excellent book and to the Senior Class to whom high school will soon be nothing but a memory.

Sincerely,

John H. Horne

. . . SENIORS . . . at last the day finally arrived . . . the joy of reaching our first big goal and the sorrow of parting from lifelong friends . . . the glory, responsibility, and hard work of being leaders . . . new decisions to make . . . plans for the future. We realized that this was the beginning, not the end . . . Besides the serious things we'll always remember . . . "senior priviledges" —sending invitations, occupying front seats in chapel and marching out first, exemptions . . . "A Date With Judy" . . . the variety show . . . the Hendersonville football game—State Champions!!! twice within a year . . . new jackets and banquets honoring the team . . . the never-to-be-forgotten music trips and concerts . . . "Christmas 1955" . . . Each will remember the things most important to him while other memories will fade away with Pomp and Circumstance.

Our first step into high school life . . . Freshman year . . . deciding upon the course we will travel for the next four years . . . Latin conjugations . . . amo, amas, amat . . . algebra problems . . . 2x plus 5y equals 65, for some . . . and general math for others . . . taking part in extracurricular activities . . . this new way of life really makes us feel grown-up.

WHAT A MEETING!!!

President Billy Woodard presides over a weekly Student Council meeting.

Student Council

The Grainger High School Student Council is the governing body of the school. Through homeroom representatives, class representatives and the President, chosen by popular vote, the members strive to promote better understanding between the students and the faculty. The Student Council is the key link in the relationship of student and teacher. Promoting good citizenship, however, is not the only project; the council sponsors many varied entertaining activities throughout the year.

Prominently among its activities this year are the concession stands which the Student Council operates at football games from September to December. Then on the lighter side the Council sponsors the annual Star Room Dance.

At the beginning of the year the Council distributed handbooks to all students, which aided them greatly in learning more about Grainger High.

Mrs. Spear. Mrs. Freeman, Mrs. Werner, and Mr. Brown advised the Council this year.

Marshals

At the end of each year the marshals for commencement and the following year are announced. This year the number of marshals has been increased from nine to twelve. The three freshmen, the four sophomores, and the five juniors with the highest averages in their classes are marshals; and the junior with the highest average is chief marshal. This year, for the third time in the history of the school, there are co-chief marshals.

Junior Tri-Hi-Y

"To create, maintain, and extend throughout the home, school, and community, high standards of Christian character" is the purpose of the Junior Tri-Hi-Y. The girls are selected for membership on the basis of their Christian character, academic record, potential leadership ability, and service in past years. The club, affiliated with the Y.M.C.A., is composed of a maximum of fifty-five ninth and tenth grade girls. To maintain membership in the club these girls must live up to the standards set forth in the purpose.

The most important project carried on by the Junior Tri-Hi-Y is to attend church in a body once a month.

Footlighters

This year was a busy year for THE FOOTLIGHTERS, Grainger High School's drama organization. A number of stage and radio plays were produced and the club sponsored the local appearance of the famous Grass Roots Opera Company.

For THE FOOTLIGHTERS it was a year of new things . . . a new constitution providing for Master and Apprentice members . . . a new point system giving credit to those who actually produce the plays . . . and a new look at drama in North Carolina through participation in the Carolina Dramatic Association.

THE HEADLINERS are senior members of the KAY-AITCH-ESS and the KI-HI staffs, selected by the publications advisors.

These students are selected for qualities of initiative, co-operativeness, dependability, accuracy, and service beyond that which is ordinarily expected of them.

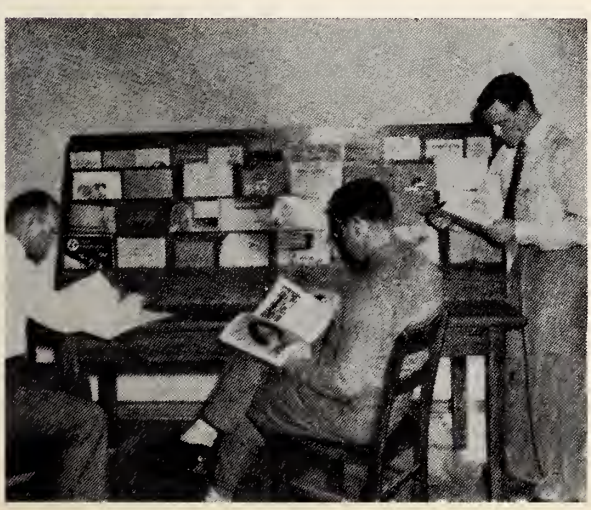
Not more than twenty-five per cent of the seniors on the staffs may be chosen.

J. Flowers, L. Thigpen, A. Jarman, Miss Stroud, T. Smith, D. Grant, P. Simpson, M. Warlick, J. Jenkins, M. Maroules, C. Nunn. Standing at desk: J. Lewis, H. Meyers, L. Daniels, J. Kennedy, absent.

The Library Class

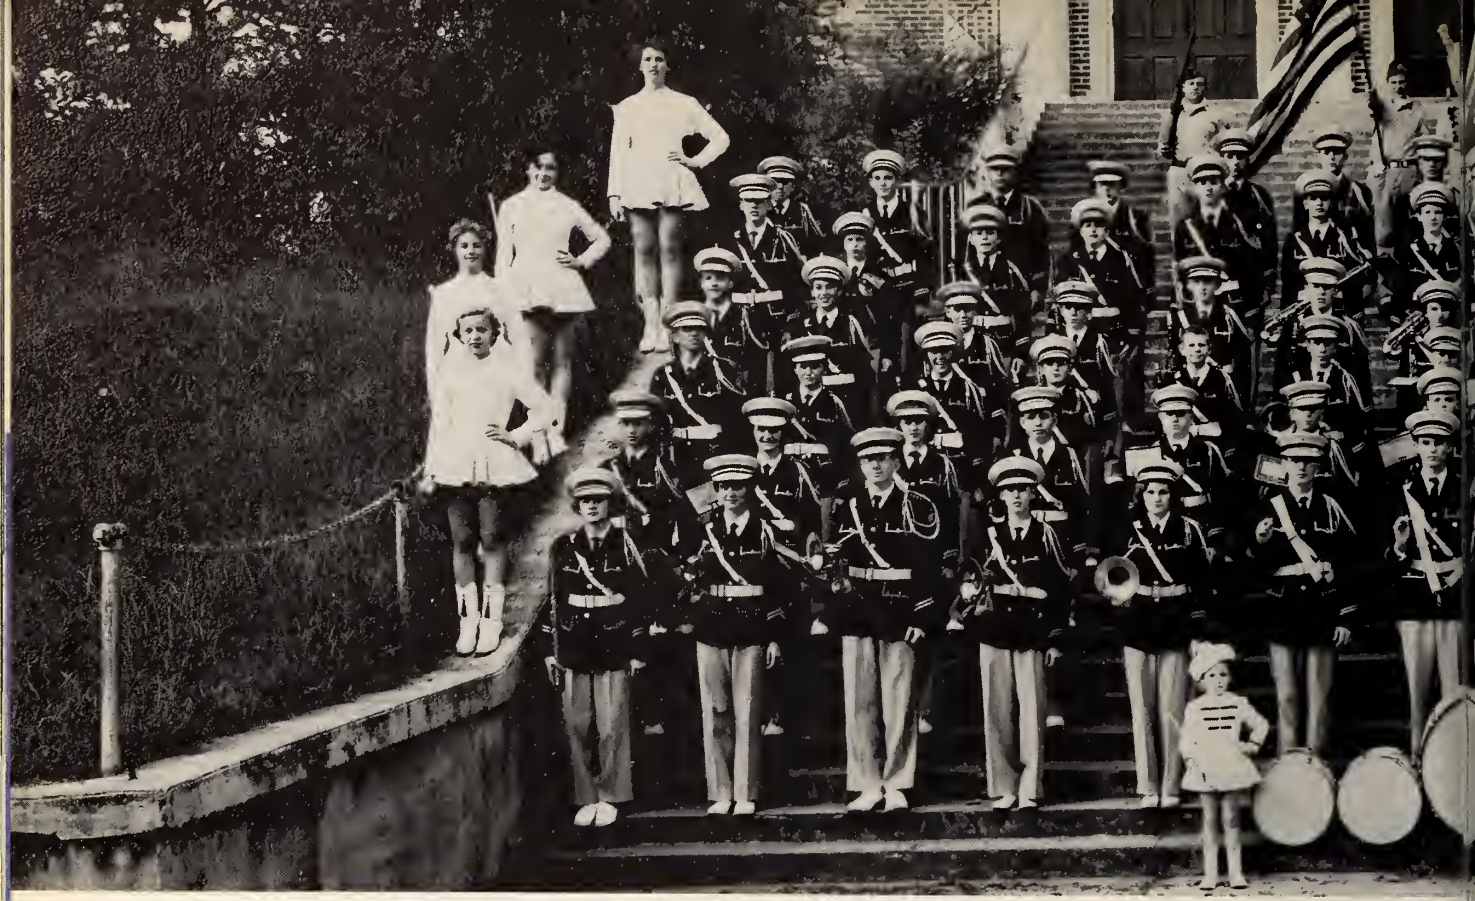
The library class is composed of high school students taking library as an elective subject. This course carries one-half unit scholastic credit. These students work as library assistants one period daily. The class meets once a week at activity period for class discussion and explanation of work.

The purpose of the course is to teach students how to use all libraries, to help develop the reading habit, and to provide opportunity for the practice of citizenship and social service.



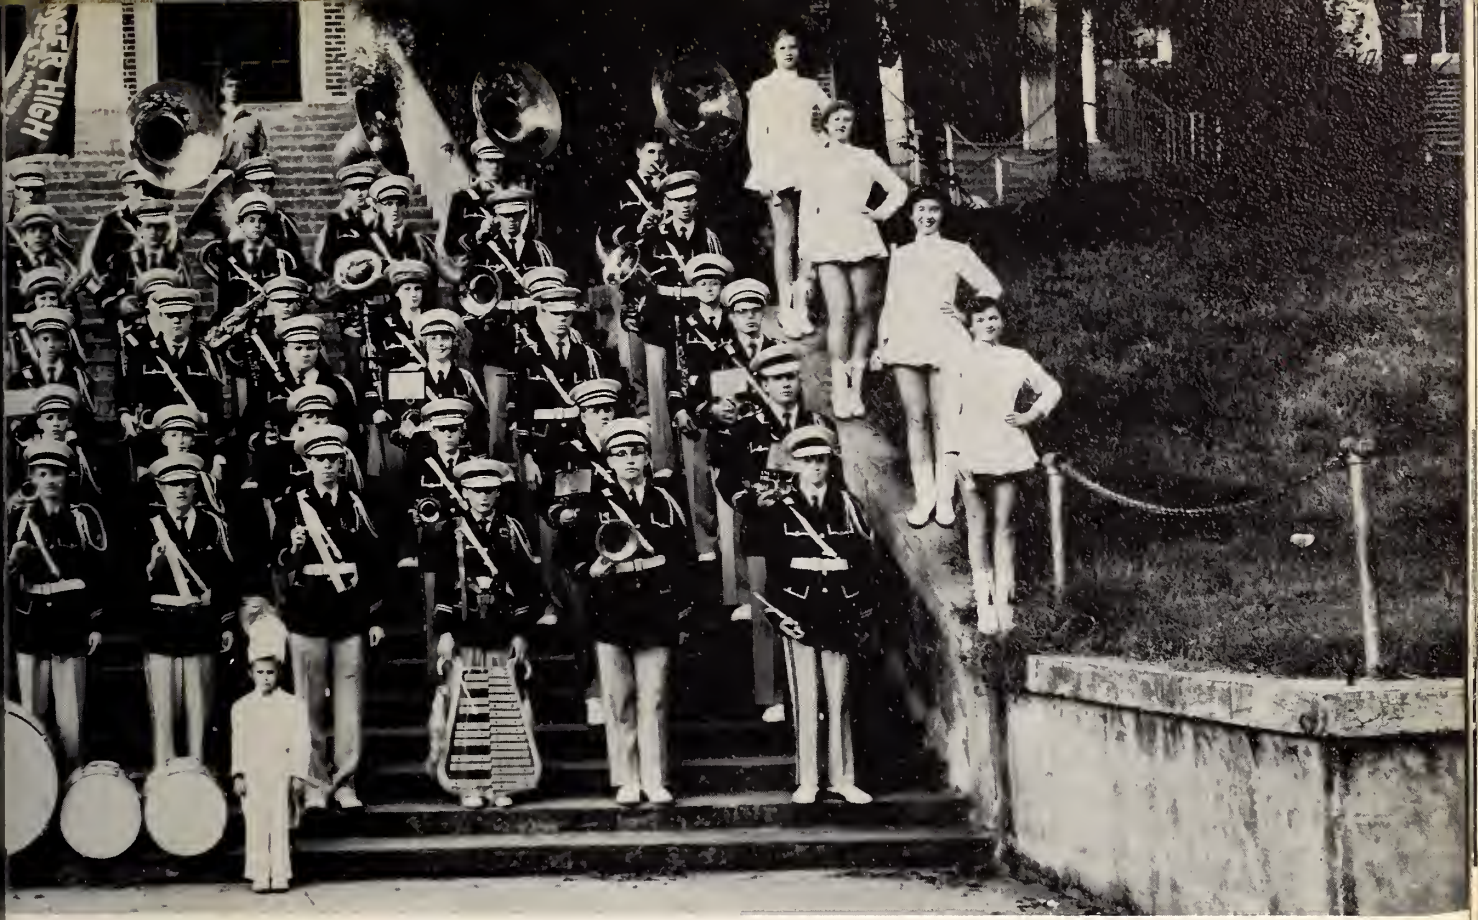
Music

Muse



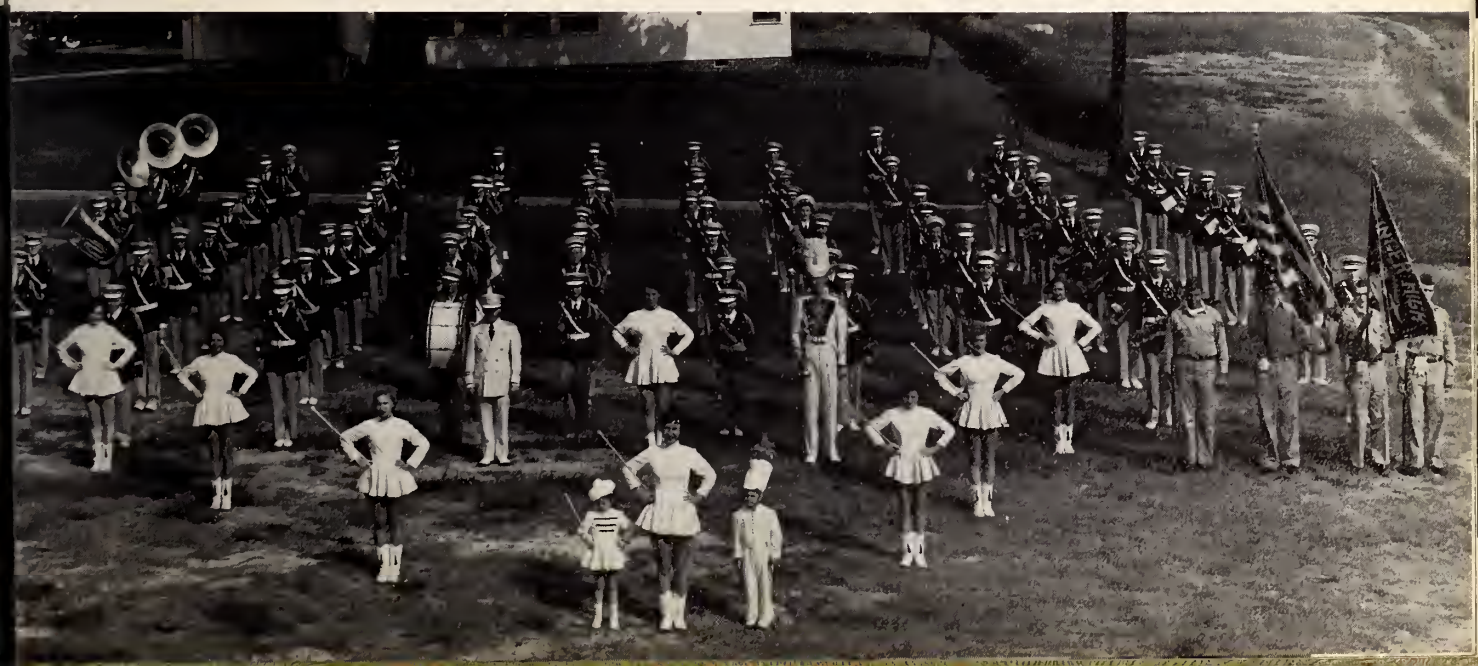
The Grainger

This group of one-hundred musicians made a big hit with the fans during the past football season with renditions of many popular tunes, not the least popular being "Dance With Me, Henry," and "The Saints Go Marching In." Music was the keynote for the football half-time shows, and each of the twelve shows presented by the Band featured at least one new tune. In addition to the games attended, the Marching Band was in great demand for parades. Of special interest to the Band were the Kinston Christmas Parade,



High School Band

The Raleigh Christmas Parade, the Shrine Parade in New Bern, complete with a tour of the Cherry Point Air Base, and the Shrine Spring Ceremonial. This Band was also chosen to represent Kinston in the Lion's International Convention in Miami, Florida, a very signal honor, and a never-to-be-forgotten trip.



Concert

Members of the Concert Band are chosen on the basis of musicianship and performance. Besides appearing in two music contests, the County Festival, and various short concerts, this group sent students to two State Band Clinics, one of these being the orchestra Clinic made up of students from all over North Carolina. Members of the Concert Band also participate in solo and ensemble playing, this being a distinct adjunct to musical perfection.

Band

Highlights of the Concert Season were The Warsaw Concerto with Harriet Herring as soloist, and the William Tell Overture.

The Grainger High Singers of Kinston

Under this name, by which the Choral Department of Grainger High School is known to the public of Eastern North Carolina, more than a thousand different students have appeared in concerts during the past six years. The Department offers three music courses . . . THE VARSITY CHOIR, THE GLEE CLUB, and THE SINGERS . . . for students in grades nine through twelve. As the student progresses through these various groups, he comes in contact with a wide selection of music from the major composers of the past and present . . . and takes part in a variety of performances on stage, radio and television.

Pictured on the opposite page is our Senior choral group, THE GRAINGER HIGH SINGERS, which has worked this year under the following officers:

HARRIET HERRING ..... *Chorusmaster*
MARGARET TYNDALL ..... *Assistant*
WICKIE LEWIS ..... *Librarian*
BILLY WOODARD ..... *Manager*

As these and other students from the ranks of our various organizations leave Grainger High School this year, we wish them good fortune and happiness . . . and thank them for the wonderful songs they have sung for us.

The Keyboard Klub of Grainger High School is sponsored by the Choral Department in the interest of better music for the school and community. Its members are chosen by the Department in cooperation with the piano teachers of Kinston. Only serious and proficient keyboard students are invited to join, and among the membership are many winners of State and National awards for pianistic ability.

The serious faces above belong to the officers, who are worn with responsibility . . . while the general membership frolics behind them with a marked disregard for the fine classical music on the records they are holding.

Starting Line-Up

The 1955 Grainger High School Football team proved to be one of the most successful outfits in Coach Frank Mock's twenty-one years as head coach by copping the Northeastern Conference crown and going on to win the state AA championship. With his returning veterans and talented newcomers from the junior varsity, Coach Mock presented a well-rounded squad which featured a rugged line and a fancy array of backs. The Red Devils of 1955 finished the regular season with a record of 9 wins and only 1 defeat, a 7-0 loss to AAA Raleigh, and then added three post season victories in their climb to the AA crown. Perhaps the most exciting contest of the season was the championship game with Hendersonville when the Mockmen, after trailing 7 to 0, fought back for a 12 to 7 victory.

Several members of the squad grabbed post season honors. Poo Rochelle, Charles Randolph, William Hill, Gene Handy, and George Graves were placed on the all-conference team. Rochelle, Randolph, Handy, and Hill were named to all-eastern squads, and Hill and Handy earned positions on all-state squads. Before each game co-captains were chosen, but at the end of the season Rochelle and Hill were elected honorary captains.

Marshall Happer

State Tennis Champion

What a shape, what a figure, two legs and now I'd look like Happer!

Marshall Happer is one versatile Grainger High athlete who, besides being a regular on the basketball team, has established quite a reputation in tennis circles throughout North Carolina. During 1955 Marshall's long list of trophies included:

1. The State high school tournament singles championship.
2. Northeastern Conference high school singles championship.
3. State Jaycee tournament. (By winning he earned a trip to the National tourney at San Antonio, Texas where he advanced to the second round.)
4. State closed singles championship.
5. Sandhills Invitation junior singles championship. (Teamed with Billy Hollowell of Kinston to win doubles crown.)
6. State Open junior singles championship.

HAVE YOU SEEN THAT SWING?

Larry Beck
Golf Champion

One of North Carolina's outstanding young golfers in 1955 proved to be Grainger High's own Larry Beck. Larry won the Carolina's Junior Championship at Charlotte and the North Carolina Jaycee tournament at Salisbury. The latter prize earned him a trip to the National Tournament at Columbus, Georgia.

Larry, who hails from a golfing family and hopes some day to be a professional, has a bright future in this sport if he continues his winning ways.

State AA C

Orr races goalward for the winning touchdown.

In perhaps the most exciting grid battle of the year the Grainger High Red Devils won the State AA football championship by defeating Hendersonville 12-7. The breaks seemed to go against the Red Divils during the early part of the game, and as the first half ended, the visiting Bearcats were leading 7-0.

But as the second half got underway, the Red Men really poured on the steam. Late in the third quarter fullback George Graves broke through the Bearcats' line, eluded their secondary, and raced 53 yards for the Devils' first score; but Bobby Stanley's extra point foot was wide and the visitors still led 7-6.

Most of the fourth quarter was a tight defensive struggle, but with only a few minutes remaining in the game, Bobby Orr, a work horse halfback throughout the season, put the game on ice with a brilliant 41 yard run. Stanley's conversion was blocked, but it didn't matter; the clock soon killed Hendersonville's chances for another touchdown and the Frank Mock coached devils were State AA football champions for 1955.

Rochelle leads interference as Adkins racks up yardage.

Junior Varsity Basketball

As in recent years the Grainger High Red Imps continued to be the pride of the Northeastern Conference. Under the tutelage of our new coach, Tom Mosely, the baby devils were leading in conference play with only one defeat when the annual went to press.

The team was led by such high scorers as Pat McLaren, Fletcher Somers, and Gene Anderson and such dependable floor men as Chubby Cummings, Eddie Taylor, and Jimmy Hearn.

Due to a late football season, the 1955-56 Grainger High School cagers started the season with only a few days of practice. This caused them to be sluggish in the early part of the season; but as the annual went to press, they were rounding into championship form and were tied with Greenville for conference honor.

With five returning veterans from the '54-55 state AA championship squad and seven newcomers from junior varsity ranks, Coach Amos Sexton produced a fast, tall, and smooth-working outfit that was well balanced in every department.

As the annual went to press, Poo Rochelle was the leading scorer with an 18.4 average, Bobby Stanley and Eion Faelten were the leading rebounders, and Marshall Happer and Alley Hart proved to be dependable floor men. As in football, captains were elected before each game.

Varsity "K" Club

As members of the Varsity "K" Club, it is our purpose to promote better athletics in Grainger High School, to make awards, and to develop spirit.

To become a member a boy must manage two sports, participate in sixteen quarters of football, thirty-two quarters of basketball, or five games of baseball. In special cases a deserving boy who does not quite qualify may be admitted through a two-thirds vote of the club and a recommendation from the coach. Upon admittance to the club each boy is awarded a "K" jacket, which the club buys with the profits from the concession stand operated by the group during the basketball season.

G.A.A.

The purpose of the G.A.A. is to get girls interested in sports. It teaches them to play basketball, volleyball, and softball.

There are more than one hundred members participating in the organization. Over half of them were initiated to become new members. For intramural play, the group was divided into two teams, the Red Team and the White Team.

The G.A.A. has joined the State G.A.A. Organization. Also it has adopted a new constitution.

Varsity Cheerleaders

Each spring a group of ten girls is chosen by the recently elected "Chief" and Colon Byrd, Advisor. Pep, spirit, and ability to learn yells are main factors required of each girl.

Being on the squad means much to a varsity cheerleader. She learns self-confidence, self-control, and good sportsmanship. She learns to take criticism, work hard, and put all she has into yelling at the games.

The Kinston squad is considered one of the best in the state. Much of this honor must be given to their advisor, Colon Byrd. He has spent much time and energy putting the girls through their paces.

Beacuse of the hard work that goes into choosing a squad and keeping it in shape, Kinston cheerleaders get a deeper satisfaction than glory.

Junior Varsity Cheerleaders

Each fall, nearly one hundred girls try out for the Junior Varsity Cheerleader Squad. After several weeks of vigorous drilling, Colon Byrd, advisor, chooses the most outstanding girl to serve as chief. Mr. Byrd and the new chief then choose ten girls for the squad.

These girls meet several days each week to practice and make up new yells to be used at the games. This year the girls will compete in the annual cheerleader convention to be held in New Bern.

AN ELEVEN-LETTER WORD

Opportunity built America—the opportunity to try your hand at anything; the opportunity to attend the college of your choice; the opportunity to start a business; the opportunity to select the company with which you wish to work.

Yes, America has been, and will continue to be, a land of opportunity. High school graduation opens the door to that eleven-letter word—opportunity. We feel sure the class of 1956 will take advantage of every opportunity to see that America grows bigger, better and greater than ever before.
